ActiveBook, Macroeconomics (3rd Edition) Arthur O'Sullivan, Steven Sheffrin

This modern book has a strong foundation in demand and supply. Its thoughtful coverage of *change in demand* vs. *change in quantity demanded* (also in supply coverage) enables learners to better visualize and truly understand the difference between these two fundamental concepts. The activebook is an interactive, online, digital book that completely takes advantage of multimedia resources to greatly enhance the learning experience. A seven-part organization covers an introduction and key principles; the basic concepts in macroeconomics; the economy in the long run; economic fluctuations; money, banking, and monetary policy; inflation, unemployment, and economic policy; and the international economy. For a thorough understanding of the principles of macroeconomics.
