There is no question the world is fractured. Nations, families, and individuals all experience a broken and fallen world in which Satan maintains strongholds of power. But believers are to become free, whole, and mature in Christ. John Loren Sandford and Mark Sandford bring understanding and reconciliation between the disciplines of deliverance and inner healing. They correct misunderstandings, identify abuses, and present direction for using both ministries effectively. With clear, informative chapters and multiple appendixes full of scriptural references, *Deliverance and Inner Healing* is the one-stop source for both theoretical and practical application of deliverance and inner healing today.
