Il tocco dell'anima (Italian Edition) Daniele Bronzin

Durante il trapasso di una giovane donna, la sua anima salendo verso il cielo tocca l'anima del marito al suo capezzale, evento raro ma possibile tra due anime gemelle.

Un uomo che fugge da tutti e da se stesso per esorcizzare il dolore della sua perdita a cui si aggiunge il senso di colpa per aver abbandonato i suoi figli.

Ma dopo anni vagando per il paese e facendo i lavori più umili, quel "tocco" è l'unica luce ad illuminargli il cammino alla spasmodica ricerca di se stesso e dei suoi figli abbandonati anni prima. "Il tocco dell'anima" quando accade, rende il legame tra consanguinei molto speciale influenzando anche sul loro destino.

La fede può attecchire anche verso una leggenda, e far fare a degli uomini imprese straordinarie altrimenti impossibili; ma quella stessa fede può far gola ad un altro tipo di uomini che si muovono seguendo le leggi e le regole di un Dio chiamato denaro.

Un romanzo che colpisce al cuore, ricco di colpi di scena!
