American Sign Language is a wonderful silent language of hands, face, and body that is rich with nuance, emotion, and grace. Bantam is proud to present the newly revised **Signing : How To Speak With Your Hands**, a comprehensive and easy-to-use guide that has long been the invaluable and definitive guide for families, friends, and professionals who need to communicate effectively with deaf children and adults. Now this expanded edition, with redesigned interiors and updated material, includes even more signs; large, upper-torso illustrations clearly show formation and movement of the hands, and their relation to the face and body. All the beautifully illustrated signs are accompanied by precise, easy-to-follow instructions on how to form them. This complete guide includes chapters on common phrases, the alphabet, foods and eating, health, recreation, and the newest chapter covering technology, politics. education, and music.

From the Trade Paperback edition.
