CHARLES DICKENS

Canción de navidad (Spanish Edition) CHARLES DICKENS

Canción de Navidad, publicada en 1843, fue una de las obras que más leyó en público Dickens y no tardó en convertirse en un clásico. Como en muchas de sus más famosas novelas, también aquí reflejó el agudo contraste social entre la riqueza más absoluta y la pobreza más mísera, que se daba en el Londres de la época, y salió en defensa de las personas desvalidas y humildes que soportaban miserables condiciones de vida y trabajo en las grandes ciudades, como consecuencia de la Revolución industrial del siglo XIX. A través de las visiones del avaro y mezquino señor Scrooge, Dickens retrata la sociedad inglesa de su tiempo reflejando las diferencias sociales entre ricos y pobres, a la vez que denuncia el maltrato de los niños y jóvenes menores de edad que trabajaban en las condiciones de miseria más crueles, abocados a la mendicidad y a la explotación proletaria por la burguesía.
