Leslie Parrish introduces Extrasensory Agents, a band of psychic investigators interested only in the cases nobody else wants-the coldest ones...

After being made a scapegoat in a botched investigation that led to a child's death, Aidan McConnell became a recluse. Still, as a favor to an old friend, Aidan will help on the occasional ESA case.

Reporter Lexie Nolan has a nose for news-and she believes a serial killer has been targeting teen girls around Savannah, but no one believes her. So she turns to the new paranormal detective agency and the sexy, mysterious Aidan for help. But just as the two begin forging a relationship, the case turns eerily personal for Lexie-and Aidan discovers that maybe he hasn't lost the ability to feel after all.
