*"There must be more to the Christian life than this--more than church each Sunday and waving to my neighbors and giving some clothes to Goodwill when I go through my closet each spring."*

These aren't bad things, of course. But they're safe and comfortable and easy. And there's a reason they're not satisfying your desire for something more significant and meaningful--we're created by God for adventure.

International Justice Mission president Gary Haugen has found that engaging in the fight for justice is the most deeply satisfying way of life. This book shows how we too can be a part of God's great expedition.
