## **La Vénus d'Ille (French Edition)** Prosper Mérimée

Une édition de référence de La Vénus d'Ille de Prosper Mérimée, spécialement conçue pour la lecture sur les supports numériques.

« C'était bien une Vénus, et d'une merveilleuse beauté. Elle avait le haut du corps nu, comme les Anciens représentaient d'ordinaire les grandes divinités ; la main droite, levée à la hauteur du sein, était tournée, la paume en dedans, le pouce et les deux premiers doigts étendus, les deux autres légèrement ployés. L'autre main, rapprochée de la hanche, soutenait la draperie qui couvrait la partie inférieure du corps. L'attitude de cette statue rappelait celle du Joueur de mourre qu'on désigne, je ne sais trop pourquoi, sous le nom de Germanicus. Peut-être avait-on voulu représenter la déesse jouant au jeu de mourre. »
