Candid Conversations with Connie, Volume 1: A Girl's Guide to Growing Up (Adventures in Odyssey Books) Kathy Buchanan

Welcome to *Candid Conversations with Connie*! And these conversations are going to be very candid. In this book we're only taking questions from girls! Yep, they can ask whatever they want, and I will answer from my vast knowledge and experience. (Well . . . maybe not vast.) If I don't know the answer, I'll ask my friend Penny. We've been where you are, and we know what it's like.

You're not a little girl anymore, but you're still years off from adulthood. You still like to play, but you also enjoy having long conversations with friends. You sometimes want to cuddle on your mom's lap, and other times you wish she would just leave you alone. All that's pretty normal, and you'll see that from the questions we're answering.
