Damon Knight

Charles Fort: Prophet of the Unexplained Damon Knight

Damon Francis Knight was an American science fiction author, editor, and critic. Knight's first professional sale was a cartoon drawing to a science-fiction magazine, *Amazing Stories*. His first story, "Resilience", was published in 1941. He is best known as the author of "To Serve Man", which was adapted for *The Twilight Zone*. He was a recipient of the Hugo Award, founder of the Science Fiction and Fantasy Writers of America (SFWA), cofounder of the National Fantasy Fan Federation, cofounder of the Milford Writer's Workshop, and cofounder of the Clarion Writers Workshop. Knight lived in Eugene, Oregon, with his wife Kate Wilhelm. Charles Fort delighted in taunting "orthodox" scientists with things they seemed unable, or unwilling, to explain—for example, rains of frogs or fish (Fort 1974). Today's paranormal mystery mongers—the tireless touters of "the unexplained" who are typically merely cynical writers and broadcasters of the uninvestigated—are following in the deeply imprinted footsteps of Charles Fort. This is a biography of the American iconoclast who dared to explain centuries of strange, occult phenomena—including UFO's, black rain, and lost planets.
