True Confessions of a Trendsetter

Hi! I'm Kat. Welcome to my blog. I may be from a small town but I'm also Glitter Girl Cosmetics' newest trendsetter. Thanks to my flair for fashion and my popular style blog, I've been chosen to be an Alpha Girl, which means I get to try out all the Glitter Girl products before they hit the stores.

Forty-eight hours after she blogs about the goodies in the new line, every girl at Kat's school is sporting the gear. Kat's popularity skyrockets, but Jules—Kat's BFF—seems to be the only one who's not buying into the Glitter Girl lifestyle. Is Kat willing to sacrifice her friendship for life in the fab lane?

From reader reviews:

Charles Malone:

With other case, little men and women like to read book Glitter Girl. You can choose the best book if you appreciate reading a book. Provided that we know about how is important a new book Glitter Girl. You can add expertise and of course you can around the world by just a book. Absolutely right, mainly because from book you can understand everything! From your country right up until foreign or abroad you will be known. About simple factor until wonderful thing you can know that. In this era, we could open a book or even searching by internet product. It is called e-book. You may use it when you feel weary to go to the library. Let's go through.

Mary Norman:

Your reading 6th sense will not betray an individual, why because this Glitter Girl publication written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and producing skill only for eliminate your own personal hunger then you still skepticism Glitter Girl as good book but not only by the cover but also from the content. This is one reserve that can break don't judge book by its include, so do you still needing yet another sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Wendy Hartnett:

Is it you who having spare time after that spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This Glitter Girl can be the answer, oh how comes? A book you know. You are and so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

Cassandra Rosas:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Glitter Girl can make you sense more interested to read.
