Health Services in England R. C. Wofinden

Health Services in England describes and studies the health services in England. Specifically, this book looks into the treatment of the sick; the preservation of health and control of the spread of the diseases; and the achievements of the health services in the featured country. This text concludes with some criticisms and plans for a national health service in England.

This book will be very invaluable to those in the field of medicine, including students and experts, as well as to those in the related fields.
