Next to Last Words: Poems Daniel Hoffman

For sixty years Daniel Hoffman has drawn on a lifetime of experiences to engage readers with his powerful imagination. The poems in Next to Last Words -- illuminated by the poet's unique vision and leavened by touches of humor -- continue this tradition. Equally skilled in formal and free verse, Hoffman explores our place in the cosmos, our kinship with nature, the violent world in which we must live, and the intense love and grief common to everyone's life.
