Wee Ennui

Unbeknownst to their parents and caregivers, today's babies have become disillusioned with the predictable and uninspired world around them. Their honest observations and opinions on life haven't been heard (since these babes can't talk!)—until now. *So Bjored* reveals what they are *really* thinking. Featuring more than 75 full-color photographs of adorable tots paired with irreverent captions from the babies themselves, this amusing collection provides tons of laughs and new insight into the minds of our sweet little pumpkins—who are sometimes sarcastic, often judgmental, and always wise beyond their months!
