Voices of Evil GM Hague

A deranged World War I veteran is locked in a padded cell. Two beautiful young women meet their grisly deaths. In an old, metal tin sits an ancient charm, and the demon that lives within it is being released into our world again.

When journalist Brendan Craft discovers the mysterious Egyptian charm, a series of terrifying events is unleashed – events similar to those suffered by a young soldier as he fought for his life in the trenches of Gallipoli in 1915. Confronted with an evil beyond his imagining, Brendan becomes locked in a battle for his sanity. Where does the dream end and the reality begin? Death may be the only escape from the voices of evil.
