From Book 1:

Virgil Skinner served fourteen years for a murder he didn't commit. He's finally been exonerated, but he can't escape the gang he joined in order to survive. They'll do *anything* to keep him from telling what he knows. And if they can't get to Virgil they'll go after his sister and her kids.

The California Department of Corrections needs someone to infiltrate another gang, one that's taking control of the state's most notorious supermax. Virgil agrees to do it under an alias—in exchange for his sister's protection.

Chief Deputy Warden Peyton Adams is opposed to having Virgil in her prison. How will she protect him if things go bad? Besides, she's far too attracted to him; she might even be falling in love with him. That makes her all the more desperate to keep him safe—and it gives *him* someone else to lose.
