**Female Crime: The Construction of Women in Criminology (Routledge Library Editions: Women and Crime)** Ngaire Naffine

*Female Crime*, first published in 1987, surveys the major schools of criminology in order to explore the images of the female offender which underpin many contemporary crime theories. It reveals the ways in which male-centred norms dominated much analysis, and how crude stereotypes of women were a common attribute to the armoury of criminological research.

Although feminists and other researchers are directing increasing attention to criminology, this was one of the first attempts to deploy feminist analyses developed within other disciplines to examine critically the range of modern criminological theories on women. Its findings demonstrate the importance of a program to create a new feminist criminology which recognises the female offender as a reasoning, purposeful subject. This title will be of interest to students of criminology.

#### **Jose Holmes:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Female Crime: The Construction of Women in Criminology (Routledge Library Editions: Women and Crime) can make you truly feel more interested to read.
