Michael, Professor Bohlander

Following on from the earlier edited collection, *Loss of Control and Diminished Responsibility*, this book is the first volume in the *Substantive Issues in Criminal Law* series. It serves as a leading point of reference in the area relating to participation in crime and identifies the need for a consistent approach to the doctrinal and theoretical underpinnings of complicity liability. This book is a valuable reference resource for those in the criminal justice community in the UK and abroad and for academics, the judiciary and policy-makers.
