A visual and interactive guide to building and communicating strategies that actually work

YOUR STRATEGY HAS SEVEN SECONDS TO CAPTIVATE ITS AUDIENCE... So how are you going to present it? A big wordy document? A lengthy address? Slides full of bullet points?

The best way to engage and involve people is through pictures. Strategy Builder shows you how to creatively combine the best strategy frameworks to orient and animate strategy discussion and development in your team. This visual, interactive guide, with illustrations by Visory, uses real world examples and practical tips to help you:

- Discover the five key foundations that every strategy should be built upon
- Draw compelling and unique pictures that capture your organization's distinct strategies
- Develop your skills as a leader of strategy discussions
- Understand how to use interactive drawing to engage others and achieve 'buy in'
- Additional online resources available including Strategy Drawing Templates, plus Builder Slides and case studies materials for instructors. Locate the 'Companion Website' link towards the bottom of this page to access these materials.

Test your strategic vision or develop a new strategic plan based on the best elements of key strategic frameworks by trying the FREE interactive Strategy Builder app, developed in association with StrategyBlocks, at www.strategicplan.com

Praise for Strategy Builder:

Cummings & Angwin are pioneers in introducing novel approaches in teaching and applying the principles of strategy --**Robert M. Grant, Bocconi University, author of Contemporary Strategy Analysis**

In a complex, fast changing world, where we are bombarded by words, numbers and reports, the visual-first approach to strategy provided by Strategy Builder is immensely helpful for inspiring and communicating a clearer vision of how to move forward. -- **Rachna Bhasin, VP Strategy, SiriusXM**

At last someone has grasped this idea and come up with a way to help us demonstrate strategic plans and ambitions in a creative new way. --**Vikki Heywood CBE, Chair of The Royal Society for the Arts**

This wonderful book is the first to solve a near-universal problem: communicating strategic ideas is just as hard and just as important as coming up with them in the first place, and both are visual activities. The question is not "Do you understand?" but "Do you see?" --**William Duggan, Professor, Columbia University, author Strategic Intuition**

This book shows how to draw an organization's strategy so you see what's been considered, what's not been

considered, and how things are related,. Strategy building is presented as a fun and involving learning process. The approach is revolutionary in that it enables not only the development but also the easy sharing of strategic understanding. --**Roger L.M. Dunbar, Emeritus Professor, Stern School of Business, New York University**

What a great idea! The layout is also really thoughtful; it makes you immediately want to get out a pencil and start doodling. --**Adam Martin, Customer Solutions Director, The Brakes Group**

As a time pressed executive it was a delight to find a book that I can dip into to find the best strategic frameworks - those that have proved the test of time and academic scrutiny as being truly useful in the workplace. Even better for an inveterate scribbler: endorsement that a picture and 'permission to play' with ideas visually really does say a thousand words and more! --**Sarah Mitson, Global Business Director, TNSGlobal**

This is an invaluable resource for any executive wanting to improve engagement in strategy development and c
