Subprime Cities: The Political Economy of Mortgage Markets (Studies in Urban and Social Change)

Subprime Cities: The Political Economy of Mortgage Markets presents a collection of works from social scientists that offer insights into mortgage markets and the causes, effects, and aftermath of the recent 'subprime' mortgage crisis.

- Provides an even-handed and detailed analysis of mortgage markets and the recent housing crisis
- Features contributions from various social scientists with expertise in critical social theories who have assembled and analyzed detailed empirical information
- Offers a unique and powerful rebuttal to many of the misleading popular explanations of the crisis and its aftermath
- Reveals how racial minorities and the neighbourhoods inhabited by them are more likely to be targeted by subprime and predatory lenders
