The Making of a Monster Gail Petersen

Her move to Los Angeles was supposed to restart her life. But with one quick bite, it is her death that has been begun. A chance meeting with a mysterious stranger has transformed this conventional wife into a creature that prowls the dark streets desperate to quench her need for blood.

Impervious to the night, she joins a rock and roll band and searches among those lost souls for companionship, always feeling like she does not belong. Caught between loathing her new self and losing touch with whom she once was, Kate is a soul torn between loathing and longing. Facing a bloody struggle, Kate at last embraces her vampire nature . . . and only then does the mystery of immortality explode.
