The courageous four are honored and live as heroes until, in the confusion and darkness of a nighttime battle, an unthinkable tragic accident changes their lives forever. The four, so recently renowned as heroes, are now despised and hounded as miscreants, and soon they desert the army and head west to live as outlaws.

It is there that Rance, a newly commissioned U.S. Marshal, meets the four again, this time in very different circumstances but with the knowledge that he owes them his life.

Story Behind the Book

“While studying American history in high school, I was struck with a strange fascination for the Civil War. That fascination grew stronger when I studied it again in college, and I’ve visited many of the sites where the battles took place. When I visited the Appomattox Court House in Virginia, where General Robert E. Lee signed the documents of surrender before General Ulysses S. Grant, I was struck with the thought of creating a series of novels based upon specific battles in the Civil War. I wanted to mold fictional characters with real

ones and fill the stories with romance, suspense, intrigue, and the excitement of battle. That's how the Battles of Destiny series came to be." –Al Lacy
