Essay from the year 2011 in the subject Business economics - Personnel and Organisation, Heriot-Watt-University Edinburgh (School of Management and Languages), language: English, abstract: The structure of this assignment refers mainly to the cornerstones of the organisational theory. It is unavoidable to start with a short overview of the bureaucracy theory and thus, to highlight SM and HRT as a basic management approach. Furthermore, this assignment will point out similarities and differences between both approaches. Finally, the conclusion summarises the main arguments and gives a firm stand about the above mentioned questions.
