From Book 1: They're the daughters of celebrities--the kind all the teen mags gossip about! But the It Girls of Hollywood High are about to discover that fame has a price. And no friendship--or romance--is safe. . .

London Phillips will diet as her mother demands. She'll even date the billionaire her mother has chosen for her. But she won't give up her secret hottie, Justice Banks. She and Justice plan to elope--right after he becomes a hip-hop superstar. All he has to do is seduce a media mogul's darling daughter, Rich Montgomery, and a record deal is his! But he better remember London is really his girl. . .

Rich is so lucky to have a BFF like London. It was London who introduced her to dreamy Justice. Little does she know that her new heartthrob is about to cause a media explosion that will change this spoiled princess's life forever. . .

Spencer Ellington hates to see a billionaire go to waste. That's why she's hooking up with London's boyfriend, Anderson Ford. London may not be in love with Anderson, but she believes he'll do anything for her. Just wait till she finds out the only thing Anderson is doing is Spencer. . .

Heather Cummings wants in with the It Girls to secure the spotlight for her actress mother.

But when she stumbles upon a secret about the father she never knew, she discovers she has ties to the clique so scandalous it may just bring Hollywood High's in-crowd to their knees!
