Her ideal lover is reliable, silent, and always leaves her satisfied...

Elle Sheffield wasn't always Elle Sheffield, life coach. Elle Sheffield used to be Elle Shields, with a painful high school past, a traumatic family secret, and a go-nowhere tech support career. Now she's re-created herself and found her true calling: guiding women to overcome their obstacles and fulfill their dreams. And speaking of fulfillment, Elle gets hers from her trusty, battery-operated companion. We'll call him Mr. Goodbunny.

...until his little engine goes kaput.

But what's a girl to do when her vibrator's on the blink and her life is spiraling out of control? A shot at a profile in *The New York Times* may be just what she needs to jump-start her business, but it's her sex life that really needs resuscitation. Is it possible there's more to satisfaction than her solitary trysts with Mr. Goodbunny? Though it may mean taking a chance on a real flesh-and-blood male, Elle is about to discover that when it comes to true happiness, there is no substitute.
