Food sustains physical life. The nurse, because of her constant care for the physical needs of others, is acutely aware of this basic fact.

A Christian nurse will also realize the necessity of a proper daily spiritual diet. Her crowded schedule, her heavy responsibilities and her studies demand alertness of body, mind, and soul. She must, therefore, feed on God's Word daily.

More than 120 devotional exercises, prepared expressly for nurses in training, are presented in *Designed for Duty*. They offer spiritual strength for the nurse from the first day of training to capping and on to graduation.

Designed for Duty proffers Scriptural assistance, practical advice, and spiritual inspiration for each aspect of her busy life of service.
