Internet and intranet technologies offer tremendous opportunities to bring learning into the mainstream of business. E-Learning outlines how to develop an organization-wide learning strategy based on cutting-edge technologies and explains the dramatic strategic, organizational, and technology issues involved.

Written for professionals responsible for leading the revolution in workplace learning, E-Learning takes a broad, strategic perspective on corporate learning. This wake-up call for executives everywhere discusses:

- Requirements for building a viable e-learning strategy
- How online learning will change the nature of training organizations
- Knowledge management and other new forms of e-learning

Marc J. Rosenberg, Ph.D. (Hillsborough, NJ) is an independent consultant specializing in knowledge management, e-learning strategy and the reinvention of training. Prior to this, he was a senior direction and knowledge management field leader for consulting firm DiamondCluster International.
