Araceli Damián

El tiempo, la dimensión olvidada en los estudios de pobreza (Spanish Edition) Araceli Damián

Esta obra constituye una contribución importante al abordar un tema escasamente analizado en este campo de estudios. El libro problematiza la relación existente entre disponibilidad o carencia de tiempo libre y la pobreza, el bienestar y la desigualdad. Adopta una visión crítica de los distintos autores, enfoques y obras que han tratado de evaluar la condición de vida de los seres humanos. Discute cómo la falta de tiempo libre y la alienación de éste ponen en riesgo la salud física y mental de las personas, limitan su autonomía y reducen las posibilidades de alcanzar el florecimiento humano.
