Engineering Internet Qos (Artech House Telecommunications Library) Sanjay Jha, Mahbub Hassan
From the basics to the most advanced quality-of-service (QoS) concepts, this book aims to offer
professionals an in-depth understanding of the latest technical issues raised by the emergence of new types of
internet services. It provides end-to-end QoS guidance for real-time multimedia communications over the
internet, and shows where and when it is preferable to use certain techniques for QoS support in networks
and internet traffic.
