Entrenando para ser (Narrativa empresarial) (Spanish Edition) Francisco Javier Linares Vildosola

Una historia de crecimiento, aceptación y triunfo.

Un hombre inmerso en problemas personales y familiares es invitado a entrenar un equipo de jóvenes futbolistas. Pero, ¿cómo transmitir a esos muchachos la ilusión de salir triunfadores de un juego, cuando él parece haber perdido toda esperanza? Comienza la lucha por obtener el campeonato al mismo tiempo que comienza la lucha por descubrirse a sí mismo.

Una historia de crecimiento individual y de grupo que apunta a los verdaderos fundamentos del hombre, los valores universales y la formación integral de los seres humanos.

Esta lectura nos invita a hacer un alto en el camino para reflexionar sobre el lugar en donde estamos, quienes somos y hacia donde vamos. Siempre estaremos a tiempo de aceptar nuestro pasado y replantear nuestro presente para lograr un mejor futuro.

Actitud, determinación, visión y objetivos claros serán algunas de las herramientas para lograr plantarse en la cancha de la vida con entereza, integridad, valores y claridad y así poder sortear cualquier tipo de partido que se nos presente, con la vista clara en el triunfo, pero entendiendo que éste se logra aprendiendo de las lecciones que las derrotas, los empates y los ganos nos van dando a lo largo de nuestro muy personal campeonato, y sin olvidar lo importante que es estar bien primero con uno mismo para después poder darse a los demás.

Inspiracional, práctica, motivacional y muy conmovedora esta historia que nos plantea la perspectiva de las personas integra, éticas y en equilibrio en ¡el juego de la vida!
