Freedom's Price (Hidden Histories) Michaela MacColl, Rosemary Nichols

Eliza Scott isn't quite a slave, but she's not free either. She's not a prisoner, but her family lives in a jail. Eliza, who attends a secret floating school on the Mississippi River because it's illegal for her to read, says she understands how dangerous her situation is—but her parents know she's not afraid enough. When a devastating cholera epidemic strikes the city, Eliza discovers she will have to be clever and resourceful to escape a slave catcher and the worst fire in St. Louis' history. Will Eliza be willing to pay the price of freedom? *Freedom's Price* is the second book in the Hidden Histories series, which examines little known moments in American history. Based on actual events and people, the book is extensively researched and includes an author's note and bibliography.,

From reader reviews:

Chester Walters:

Book is to be different for each and every grade. Book for children right up until adult are different content. We all know that that book is very important usually. The book Freedom's Price (Hidden Histories) seemed to be making you to know about other information and of course you can take more information. It is very advantages for you. The reserve Freedom's Price (Hidden Histories) is not only giving you considerably more new information but also for being your friend when you feel bored. You can spend your spend time to read your reserve. Try to make relationship together with the book Freedom's Price (Hidden Histories). You never feel lose out for everything in case you read some books.

Suzanne Crider:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these people keep up with the era that is always change and make progress. Some of you maybe may update themselves by looking at books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Freedom's Price (Hidden Histories) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

Robert Berman:

Don't be worry when you are afraid that this book will probably filled the space in your house, you may have it in e-book means, more simple and reachable. This Freedom's Price (Hidden Histories) can give you a lot of pals because by you investigating this one book you have point that they don't and make you more like an interesting person. That book can be one of a step for you to get success. This guide offer you information that maybe your friend doesn't understand, by knowing more than additional make you to be great people. So , why hesitate? Let me have Freedom's Price (Hidden Histories).

Walter Son:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Freedom's Price (Hidden Histories) can make you experience more interested to read.
