Modern Recording Techniques

David Miles Huber, Robert E. Runstein

Modern Recording Techniques David Miles Huber, Robert E. Runstein

As the most popular and authoritative guide to recording available, Modern Recording Techniques provides everything you need to master the tools and day-to-day practice of music recording and production. The sixth edition has been expanded to cover the latest digital audio technology and features a new section on surround sound. For those who are just starting out or are looking for their next job in the industry, this edition also provides essential advice on career options and networking.

David Miles Huber's approachable writing style, coupled with over 500 technical diagrams, screen shots and product illustrations, makes this an essential resource which you will want to refer to again and again.
