'What an excellent book! 'Running A Nurturing Group' does exactly what it says in the title and much more. The layout and framework must make it one of the most accessible books ever. Every chapter states its intention, unfurls – and then is concisely summarised at the end. Then we have questionnaires, tick lists, case studies and PowerPoint presentations; just what tired teachers need to take on a new body of knowledge. There is a wonderful balance of practical suggestions and theory – at all the times you feel you are in the hands of a dedicated, researcher and practitioner.'
