Sexo inteligente (Crecimiento personal) (Spanish Edition) Marty Klein

Este es un libro para todos aquellos que no disfrutan de un sexo tan fantástico como desearían. Para los que creen hacerlo demasiado, o demasiado poco; para los que temen que sus parejas no los encuentren atractivos; para los que tienden a evitar el sexo o a veces se sienten solos durante el acto sexual... Es un libro, en suma, para todos nosotros.

Mary Klein, reconocido terapeuta familiar y sexual, que levantó ampollas en Estados Unidos con su demoledor libro *America's War on Sex*, llega con un título arrollador, sincero, inteligente y rebosante de sentido del humor, que desafía todas las convenciones más arraigadas sobre el deseo, el orgasmo, el éxito o el fracaso en la cama. . Con testimonios reales extraídos de sus más de treinta años de experiencia clínica, el doctor Klein invita al lector a olvidar lo que es "normal" o "anormal", "funcional" o "disfuncional" y a explorar la sexualidad desde una perspectiva distinta, al margen de técnicas y posturas: la inteligencia sexual. Un libro tan inteligente como radical, que promete tanta polémica como su título anterior.
