Social Work and Child Abuse: Still Walking the Tightrope? Dave Merrick

While social work practice with child abuse is a well-documented topic, this revised edition of *Social Work and Child Abuse* actually challenges and changes the focus of existing literature. Instead of concerning itself with the ways in which the task of preventing and detecting child abuse can be more effectively undertaken, it presents a critical analysis of the task itself.

There has been much new guidance and regulation since the first edition of *Social Work and Child Abuse* was published in 1996, making this a timely new edition. With a brand new introduction and conclusion, this fully revised text discusses:

- the implications of the Victoria Climbié Inquiry, the Laming Report, the Green Paper Every Child Matters and the 2004 Children Act
- the 1989 Children Act and the conflicting duties of the social worker to prevent and intervene in child abuse and also to promote 'the family'
- the emergence of official discourses of prevention, treatment and punishment
- the 1975 Children Act and the role of moral panic.

Concluding with a call for the full implementation of the UN Convention on the Rights of the Child to strengthen the child protection system by giving children and young people a much stronger voice, this book is essential reading for all professionals in social and probation work, and for students in social work, social policy and criminology.

James Baker:

Many people spending their period by playing outside with friends, fun activity along with family or just watching TV the entire day. You can have new activity to spend your whole day by reading through a book. Ugh, you think reading a book really can hard because you have to accept the book everywhere? It okay you can have the e-book, taking everywhere you want in your Mobile phone. Like Social Work and Child Abuse: Still Walking the Tightrope? which is obtaining the e-book version. So , try out this book? Let's observe.

Jack Murray:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Social Work and Child Abuse: Still Walking the Tightrope? can make you really feel more interested to read.

David Gaiter:

A number of people said that they feel weary when they reading a publication. They are directly felt the item when they get a half areas of the book. You can choose typically the book Social Work and Child Abuse: Still Walking the Tightrope? to make your reading is interesting. Your personal skill of reading skill is developing when you similar to reading. Try to choose straightforward book to make you enjoy to learn it and mingle the idea about book and studying especially. It is to be very first opinion for you to like to wide open a book and examine it. Beside that the book Social Work and Child Abuse: Still Walking the Tightrope? can to be your new friend when you're feel alone and confuse in doing what must you're doing of

these time.
