The Go-To Option-Selling Guide--Updated for Today's Manic Markets

Investing today is more complicated and unpredictable than ever before. The strategy of buy-and-hold has been replaced by buy-and-hope. Trying to grow your assets means worrying about how the next geopolitical crisis or government announcement will affect your portfolio. In an age of stunted economics and uncertain interest rates, attempting to guess market direction can seem futile.

The good news is, you don't have to anymore. There is a better way to invest. It's time to borrow a page from the pros and radically change your entire philosophy to building a solid, high-yielding portfolio.

The Complete Guide to Option Selling takes you through the process step by step. Updated to help you draw steady, high profits in an age of skittish markets, this classic text covers the ins and outs of:

- **The Fundamentals of Option Selling**

Why writing options works so well, what kind of investor writes options, and how futures options could be the missing piece to your puzzle

- **Option-Selling Strategy and Risk Management**

Choosing the right options to sell, the most powerful spread strategies, the mechanics of selling, and protecting yourself from downside risk like a pro

- **Market Analysis and Writing Options**

How to find the best markets to take premium, the secret of seasonal trends, and tips on building your premium ladder

You don't need a fancy Greek calculator to succeed in writing options. All you need is a little knowledge, a lot of common sense, and *The Complete Guide to Option Selling*.
