The Works of Tim Burton: Margins to Mainstream

The Works of Tim Burton: Margins to Mainstream

Tim Burton has had a massive impact on twentieth and twenty-first century culture through his films, art, and writings. The contributors to this volume examine how his aesthetics, influences, and themes reflect the shifting cinematic practices and social expectations in Hollywood and American culture by tracing Burton's move from a peripheral figure in the 1980s to the center of Hollywood filmmaking. Attentive not only to Burton's films but to his art and poetry, this collection explores Burton's popularity and cultural significance as both a nonconformist and a mainstream auteur.
