Works of St. Bonaventure: On the Reduction of the Arts to Theology: 1 St. Bonaventure

In his treatise, *De Reductione Artium ad Theologiam*, a work of remarkable brevity and originality of expression, St. Bonaventure deals with the relation of the finite to the infinite, of the natural to the supernatural in a way which well establishes his preeminence as a mystic, a philosopher, and a theologian. This translation and commentary brings to the modern day reader an appreciation of the return of all created things to God.
