## Currency Crises in Emerging Markets

**Currency Crises in Emerging Markets**, prepared by Warsaw-based Center for Social and Economic Research (CASE), discusses various aspects of currency crises in emerging-market economies: The definitions and theoretical models of currency crises, the causes, management and propagation (contagion effect) of crises, their economic, social and policy consequences, the role of international financial institutions, and crisis prevention. In addition, five case studies of currency crises in Central and Eastern Europe are presented.
