Michael's Genuine Food Michael Schwartz

JAMES BEARD AWARD–WINNING CHEF Michael Schwartz put Miami's Design District on the culinary map when he opened his restaurant, Michael's Genuine Food & Drink, in 2007. In a town where food and cocktails are as much a part of the pulse as tans and nightclubs, Michael's Genuine strikes a very different note. Reviving the city's dining scene from an overabundance of "Floribbean" cuisine, the restaurant quickly won national praise for its superlative yet unpretentious fare, with Frank Bruni of the *New York Times* naming it one of the country's top ten best new restaurants. In his first cookbook, Michael Schwartz shares his approachable, sought-after recipes with home cooks everywhere.

Michael focuses on sourcing exceptional ingredients and treating them properly—which usually means simply. A salad truly becomes a meal, such as BLT Salad with Maple-Cured Bacon, as do pizzas, pastas, soups, and sandwiches. Snacks aren't precious bits on toothpicks but hearty, eat-with-your-hands fare that can be mixed and matched, such as Caramelized Onion Dip with Thick-Cut Potato Chips and Crispy Polenta Fries with Spicy Ketchup. Side dishes are adventurous accompaniments that hold up mightily on their own, while the boldly flavored main dishes—from Grilled Wild Salmon Steak with Fennel Hash and Sweet Onion Sauce to Grilled Leg of Lamb with Salsa Verde—come in two sizes: large and extra large, for serving family-style at the table. From simple desserts that riff on classic childhood favorites and flavors, including Banana Toffee Panini, to Michael's favorite drinks, you'll have everything you need for the perfect dinner at home.

With seventy full-color photographs and abundant ingredient tips to help make the most of what's freshest at the market, *Michael's Genuine Food* is a guide you'll return to time and time again for meals that will slip everyone into a state of genuine contentment.

From the Hardcover edition.

From reader reviews:

Frances Lockhart:

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some study before they write on their book. One of them is this Michael's Genuine Food.

Richard Moyer:

This Michael's Genuine Food is great book for you because the content that is certainly full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great plan word or we can point out no rambling sentences in it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having Michael's Genuine Food in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world within ten or fifteen small right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

Ross Adams:

This Michael's Genuine Food is completely new way for you who has attention to look for some information mainly because it relief your hunger of information. Getting deeper you on it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Michael's Genuine Food can be the light food for you personally because the information inside this specific book is easy to get by anyone. These books acquire itself in the form which is reachable by anyone, yeah I mean in the e-book type. People who think that in reserve form make them feel sleepy even dizzy this e-book is the answer. So there is absolutely no in reading a book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss this! Just read this e-book variety for your better life along with knowledge.

Michael Nunn:

As we know that book is important thing to add our knowledge for everything. By a guide we can know everything we would like. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This e-book Michael's Genuine Food was filled about science. Spend your extra time to add your knowledge about your science competence. Some people has diverse feel when they reading a book. If you know how big benefit of a book, you can really feel enjoy to read a publication. In the modern era like now, many ways to get book that you just wanted.
