John-Henri Holmberg, a Swedish author and close friend of Larsson for more than three decades, provides a unique insider's look into the secrets of the author's imaginative universe, his life, and his ideas for future books---including the mysterious "fourth book" in the series, which Larsson had started but not finished at the time of his death.

- How did Larsson's early interest in science fiction and American and British crime writers feed into his creation of the Millennium trilogy?
- What were Larsson's ideas for the fourth book, and are there any clues to the plots he imagined for his ten-book series? Will we meet Lisbeth's twin sister, Camilla, or any of her other seven siblings that Zalachenko tells her she has?
- Does Lisbeth Salander give feminism a new definition?
- What will happen in the contentious battle between Stieg Larsson's life partner, Eva Gabrielsson, and his father and brother over the future of the books, as well as the billion dollars at stake in his legacy?
