**El anillo de César (Ecos De Tinta / Ink Echoes) (Spanish Edition)** María García Esperón, Miguel Rodríguez ortiz

Ista quidem vis est? (¿Qué violencia es ésta?), reclamó César. Vino después la puñalada temblorosa de Servilio Casca, quien apenas alcanzó a herirlo en el hombro, le siguió la heridade Casio Longino, lo demás fue un remolino de ceguera para César. La estatua de Pompeyo fue testigo de las veintitrés puñaladas que acabaron con su vida. El anillo de César rodó por el suelo ensangrentado... y su tintineo resuena en las páginas de este libro para que tú, lector, logres unir el fin con el principio de Cayo Julio César. Semblanza de la autora: María García Esperón hizo estudios de Ciencias Humanas en el Claustro de Sor Juana y de Letras Clásicas en la UNAM. Es apasionada de las lenguas modernas y antiguas, de la Historia y de la Arqueología. María García Esperón es una de las escritoras mexicanas más prolíficas en el campo de la literatura infantil y juvenil. Su obra ha recibido importantes premios y reconocimientos a nivel nacional e internacional. Comentarios sobre el libro: "Se trata de una novela histórica que aborda la figura de Cayo Julio César desde una perspectiva diferente, basándose en información histórica muy detallada y precisa para luego, a través de la voz de la narradora, traspasar esos mismos hechos y procesos históricos y sumergirse en el mundo interno de cada uno de los personajes que transitan las páginas del libro." Alejandra Moglia
