WINNER OF THE 2016 LEARNING MAGAZINE TEACHERS CHOICE AWARD!

Educators are being challenged as never before to invite reality into the classroom and allow students to explore it. This book will help you meet the challenge. Primary sources are the very documents that history is made of, the images that science is based on, the raw material of our lives. They are also excellent tools to teach the critical thinking skills required by the Common Core State Standards. This book reveals in detail the strategies you can use to make primary sources come alive for your students and to enhance visual literacy, using fascinating photographs and powerful primary source texts.
