Karly Maddison

Ice Queen [The Xephon Alliance 6] (BookStrand Publishing Mainstream) Karly Maddison [BookStrand Futuristic Sci-Fi Romance, HEA] Captain Zamara of Xephon has never been fond of strangers or aliens and is bothered that she has to put up with them on her latest mission. But it's James Marsden, the golden-haired Earthling and Alliance negotiator that bothers her most of all. She's whispered to be the Ice Queen, cool, calculating and always in control - yet ever since Marsden boarded her ship he's consistently attempted to defrost her legend with his inexplicable human charm. As they set course for distant worlds, she's not sure which is worse, that her amazing first kiss with James was accidentally broadcast to her entire crew, or that she secretly craves more of his amorous attentions. As they follow the battleship, the Xenxaphan, on a tenuous rescue mission near hostile alien territory, tensions rises and the sparks fly as fast as the gossip that surrounds them. ** A BookStrand Mainstream Romance
