Okay, let's confront the elephant in the room and get this out of the way so we can talk about Irvin S. Cobb, J. Exodus Poindexter, and this remarkable book.

The title, J. Poindexter, Colored, is politically incorrect. The novel is written from Poindexter's viewpoint and in his voice, using the period dialect of an uneducated black man from Kentucky in the 1920s. Also, politically incorrect. If you're willing to deal with these facts and read this book you are in for a pleasant surprise. Your preconceptions will almost certainly be turned on their head, and you will probably come away from the experience with a changed attitude toward its author, Irvin Shrewsbury Cobb, if indeed you've ever heard of him before, no less had an attitude toward him.
