No Risk Refused (Forbidden Fantasies) Cara Summers

*From Newly Wedded magazine: "This castle in upstate New York is the stuff of fantasies! And a kiss under the arch might make your love—or lust—last forever..."*

Indulging a family request, CIA agent Cam Sutherland has returned to Castle MacPherson for the first time in years to investigate a decades-old theft. But more importantly, it's the place where—in a brief moment—Cam very nearly lost his heart and soul to wedding planner Adair MacPherson.

And Adair is still as bewitching as ever. When Cam finds a seven-year-old erotic story written by her—and starring *him*—his blood damn near boils over. The only solution? To prove to Adair that fantasies are best made into realities...and the best magic happens between the sheets!
