Beautiful Losers

Leonard Cohen

Beautiful Losers Leonard Cohen

One of the best-known experimental novels of the 1960s, *Beautiful Losers* is Cohen's most defiant and uninhibited work. The novel centres upon the hapless members of a love triangle united by their sexual obsessions and by their fascination with Catherine Tekakwitha, the 17th-century Mohawk saint.

By turns vulgar, rhapsodic, and viciously witty, *Beautiful Losers* explores each character's attainment of a state of self-abandonment, in which the sensualist cannot be distinguished from the saint.
