LOVE AND LET DIE...

After a savage lycan attack destroyed her parents, Kit March has ignored the rules saying only men can be hunters and dedicated her life to destroying lycans. Her profession is hell on her love life, but she's been resigned to the lack of romance until she meets sinfully sexy European werewolf hunter Rafe Santiago. Unfortunately, Rafe is a man with a mission: eradicate rogue hunters from the American branch...and the foremost name on his list is Kit March.

Rafe has always put business before pleasure, but something about this feisty yet vulnerable woman is doing strange things to a man who has never before allowed his emotions to get the better of him. The merciless hunter excels at eliminating threats, but he doesn't know how to handle the threat Kit poses to his heart.

The world of lycans has always been black and white. But now, suddenly, the rules are changing. Forces that have been brewing for generations put Kit and Rafe in terrible danger, and nothing they confront is quite as it seems...including each other. Is the passion between them just as illusory? Or is it the only thing real?
