Pobreza (Spanish Edition) Víktor Gómez

Pobreza ahonda en una aventura poética que lleva el lenguaje a los límites de la sintaxis, de la delgadez expresiva y de la combinatoria de géneros, registros y dialectos, para dar cuenta de los vértigos de la conciencia y del compromiso ético contemporáneos. Poesía de la crítica, para la crítica, desde la crítica, que comienza, como no podía ser de otra manera, en la crítica y la sospecha del lenguaje. Y continúa con la autocrítica del yo como entidad definida y cerrada; la crítica de la complacencia o indiferencia o inconsciencia de la ficción de ese yo ante las catástrofes coetáneas. Poemario indisciplinado, en explícito combate con lo acomodaticio, lo estable y lo establecido; y en diálogo con los espacios que, arrasados por la voracidad del capitalismo, dejan sus ruinas, su extrañamiento, su pobreza a la intemperie. «¿Qué pobreza es esta que ni sabe afuera de la página qué nombre tiene lo posible?». Un libro en el que nada se ahorra, pues donde hay pobreza solo puede haber derroche, caudal: «y en la tesitura teselas del calígrafo zurdo hablar la escucha y deshuchar sus monedillas cruzar en rojo los semáforos dejar que fermente lo inverosímil no pronunciar la jaula».
