This must-have third revised and newly expanded edition of the only single reference source for information about state symbols features over 300 information updates plus three new chapters, updated license plate illustrations, and a newly formatted design for ease of use. Libraries that hold earlier editions of this work need this edition to keep their information on the states and territories current. With the addition of new chapters on state and territory universities, state and territory governors throughout U.S. history, state professional sports teams, and a complete revision of the chapter on state and territory fairs and festivals, the work now totals 17 chapters of essential information that is a treasure trove for students.
